Narrative of Investigation  
Vollradisroda, Germany  
(M 51/J 66; 1/250,000)

In accordance with instructions in letter Hq AGRC, dated 23 September 1947, file RRE 293.9 (IB), subject Isolated Burials, case # 2429, the undersigned with combined search and disinterring team # 2 and Russian Escort Officer, Lt. Kurdu-koff, arrived at Vollradisroda, Germany (M 51/J 66; 1/250,000) at 1140 hours 31 March 1948 to investigate.

The bürgermeister of Dobrtischen and civilian Herr Lorenz at Vollradisroda were contacted and the cemetery records were examined. (See attached statement of Herr Lorenz and extract of cemetery records).

It was reported that at about 1100 hrs on 16 Aug 1944 an American plane exploded in the air near the village of Vollradisroda (M 51/J 66). One parachute was seen to open and the flyer reached the ground safely and was taken prisoner. Eight bodies were found in the vicinity of the plane crash. These bodies were picked up by the civilians of the village and buried in caskets in a common grave in the village cemetery. The cemetery records show the names as appear on MACR # 8436 and the order in which they were buried (see attached extract of cemetery records) as well as ASN's of seven of the deceased.

It is concluded that this is the grave of the eight casualties in subject case.

Dear Mr. Dunn:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Mr. James W. Dunn

Dear Mr. Dunn:

I am writing to you in reference to your son who gave his life in the service of his Country during the European conflict.

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the Army Air Forces recently completed the translation of several volumes of captured German records.

In regard to Staff Sergeant William D. Dunn, these records indicate that he was killed 16 August 1944, when the B-17 (Fortress) he was aboard sustained damage from enemy antiaircraft fire and crashed at Vollradisroda, which is located about twenty-five miles southwest of Effurt, Germany. These records also state that his body was interred 18 August 1944, Grave Number 4, in the southeastern corner of the Cemetery of Vollradisroda.

The Quartermaster General in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the legal next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. If the report of your son's burial has not been confirmed and you have not been notified by the Quartermaster General, that official will furnish you definite information immediately upon receipt of the official report of interment from the Commanding General of the Theater concerned.

May the knowledge of your son's valuable contribution to our cause sustain you in your bereavement.

Very sincerely,

LEON W. JOHNSON  
Brigadier General, USA  
Chief, Personnel Services Division
