Plot F, Row 21, Grave 19  
Headstone: Cross  
Margraten U.S. Military Cemetery

Dear Mr. Nash:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

THOMAS B. LARKIN

Dear Sir: 193. Nash, Travis E.

This letter is in reply to your 293  
letter dated Mar. 21, in reference to Sgt.  
Travis E. Nash, still unaccounted for.

Sgt. Nash was hit by schrapnel  
from flash guns, prior to our bailing  
out. The engineer was the last person  
to leave the flight deck. He told us  
later he was sure Sgt. Nash was dead.  
He tried to rouse him before he bailed  
out, but to no avail.

Our nose gunner, I believe his  
name is Sgt. Otto, landed close to  
where our B 24 crashed. His German  
captors marched him over to the  
burning ship, to view the crash.

Sgt. Otto told us later that he  
was positive he seen Sgt. Nash

burnt away in a tree by tree. Sgt. Mack was evidently thrown from the ship when it crashed, and burned probably beyond recognition.

We - the survivors, at a later meeting agree that Sgt. Mack did go down with the ship. We also feel sure Sgt. Mack was killed before any of us bailed out. Upon further interrogations later - we agree that Sgt. Mack did burn, in a tree.

This is, is about everything I can remember concerning Sgt. Mack. If I can be of further assistance, please let me know.

Sincerely

James Barry

P.S. Enclosed are two circulars that might be of use to you. Please forward them to the [redacted] when you finished.
