Plot D, Row 17, Grave 13
Headstone: Cross
Margraten U. S. Military Cometery

Mrs. Kitty Murray Strickland 8317 Draper Lane Silver Spring, Maryland

Dear Mrs. Strickland:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cometery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Covernment.

Sincerely yours,

THOMAS B. LARKIN Major General The Quartermaster General

Mrs. Blanche H. Byron 313 Highview Avenue Silver Springs, Maryland

Dear Mrs. Byrons

I am inclosing a check for \$29.06 representing funds of your son, First Lieutenant Jennis N. Strickland.

No other property belonging to him has been received at the Army Effects Bureau to date.

My action in forwarding these funds does not, of itself, vest title in you. The money is transmitted in order that you may safely keep it on behalf of the owner, pending his return. In the event he later is reported as a casualty, the funds should be distributed according to the laws of the state of his legal residence. I sincerely hope that such distribution will not be necessary.

Please acknowledge receipt of the check by signing one copy of this letter in the space provided below and returning that copy to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

All War Department agencies have instructions to forward the personal effects of military personnel to this Bureau for disposition. Money, as a rule, is converted to a check and sent, by mail, in advance of other property. Any of his property received here will be forwarded promptly. Therefore, I ask that you please notify this Bureau in the event of a change in your address.

Yours very truly,
