PART A

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

PART B

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. **WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.**

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Sir,

In re: 1st Lt. Clarence H. Ballagh O-447194

The above named officer, a former customer of yours was reported deceased on the 14 September 1943. We have information that on 18 September 1943, Lt. Ballagh purchased 100 shares of Lyndhurst Deep Level Ltd. stock. Mr R.M. McKean the broker from whom the purchase was made, has informed us that the stock certificates were sent to Lt. Ballagh at Kimbolton.

We would greatly appreciate any information you may be able to offer which might indicate whether Lt. Ballagh disposed of the stock prior to his death or whether he is still the registered owner. If the latter is the case could you furnish any additional information which might enable us to trace the whereabouts of these certificates.

Mrs. Frances H. Ballagh
Box 10
Arroyo Grande, California

Dear Mrs. Ballagh:

The inclosed Original (white copy) and Property Received (yellow copy) of Government bill of lading No. WT- 8709002 cover shipment of the personal effects of Lt. Clarence H. Ballagh being forwarded to you at the above address from the Army Effects Bureau. **Waybilled to Oceano, California, your nearest freight station.**

This property is being shipped to you at Government expense. Upon arrival of the shipment at destination, representative of the delivering carrier will either contact you or make delivery to you at your address. The delivering carrier will make free delivery to your address if freight tariffs provide for such service. If not, carrier will make arrangements for delivery at Government expense in accordance with certificate stamped on bill of lading if you live within corporate limits of your city.

When the shipment is delivered, Consignee's Certificate of Delivery, at the bottom of the Original (white copy) of the bill of lading is to be filled in and signed by you, and that copy surrendered to the agent of the delivering carrier. The bill of lading covers all charges incident to forwarding the property from this Bureau to you at your address, if you live within corporate limits of billed destination.

If any damage to the shipment is noticed upon delivery, please make notation of such damage on the reverse of the Original bill of lading, under the caption, "Report of Loss, Damage or Shrinkage", and place your signature after the notation. The agent of the delivering carrier should be requested to make appropriate notation on the freight bill of such damage. Any adjustment or claim you may desire to present because of damage must be handled between you and the agent of the delivering carrier.

The Property Received copy of the bill of lading may be retained or discarded by you.

At the present time, a great amount of freight is being handled by common carriers and delivery of this shipment may be delayed. However, if the shipment is not received within a reasonable length of time, you may notify this Bureau, so that tracer action can be instituted here.

Yours very truly,
