Mrs. Ed Walton, Jr.
Shelby City, Kentucky
Dear Mrs. Walton:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with soldiers who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed therein, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Mr. Ed Dalton, Senior
Whitaker City, Kentucky
Dear Mr. Dalton:

We are desirous that you be furnished information concerning the resting place of the remains of your son, the late Staff Sergeant Ed Dalton, Junior.

The official report of burial had been received and disclosed that the remains of your son were originally buried in the Division Cemetery at Berlin, Germany, but were later disinterred by our American Forces and reburied in the United States Military Cemetery at Frankfurt, Germany, Grave 151, United States Military Cemetery Frankfurt-on-Main, Germany, near the city of Frankfurt, Germany.

The report further indicates that these remains have now been disinterred and are being held in that country pending disposition thereof from the part of the officer for return to the United States or for permanent burial in a foreign country.

There are enclosed informational pamphlets regarding the return of World War II dead remains, including a Disposition Form on which you may indicate your desires in this matter. Upon receipt of the properly completed form, you may be assured that the Department of the Army will attempt to comply with your instructions as indicated thereon.

In order that this office may take immediate action toward the final disposition of the remains of your son, it is urged that you complete the enclosed form, "Request for Disposition of Remains" and mail it to this office, without delay, in the enclosed self-addressed envelope which requires no postage.

May I extend my sincere sympathy in your great loss.

Sincerely yours,

W. B. CAMPBELL

REMARKS				
MACR #4471 for A/C B-17-F, Serial #42-3158 indicates that plane was last sighted near Hannover and eight of the ten crew members were KIA. German Records reveal that a fortress crashed near Potsdam, Germany, 29 April 44, and lists Helton as buried in Caputh Germany, Grave 11. (Burial Card, 293 File) Remains of Unknown X-5970 and four other unknowns were disinterred from Werder Germany, 2 July 47. When investigation was made, it was believed that X-5970 could be associated with crew members for A/C 42-52515, that crashed in this area 6 Mar. 1944; however, toothchart for Unknown X-5970 is <u>very</u> favorable with FPDIF for S/Sgt Helton and is not comparable with dental records of other crew members of subject A/C; nor, members of A/C with which the unknown was previously associated. Dental Records for S/Sgt Helton have been checked against toothcharts for all unknowns disinterred from Werder and Caputh with negative results. Estimated height for subject unknown is also comparable to height of Sgt. Helton. Unknowns X-5886, 5887, 5889, 5894, 5896, 5897 disinterred from Caputh and Unknown X-5946 from Werder have been identified by the Field, and are submitted submitted simultaneously, accounting for all crew members. Hannover (Plane last sighted) 52°23'N - 9°45'E Werder (2 Unknowns disinterred) 52°25'N - 12°54'E Caputh (6 Unknowns disinterred) 52°22'N - 12°59'E Werder is approx. 5 miles SW of Caputh and approx. 85 miles E of where plane was last sighted.

STATEMENT

The undersigned, have interviewed S/Sgt. Samuel G. Ross, 34645538, and he states that on the mission to Berlin, Germany, on the 29th of April 1944, he was tail gunner on A/C 42-38051. As such, he was in a position to see what happened to A/C 42-3158 which is missing. In the target area it was straggling, and enemy fighters attacked it. A/C 42-3158 exploded in the air, and one parachute came out. This happened just before bombs away on the target.

NARRATIVE OF INVESTIGATION

(See Question # 52)

Werder, Germany

Contacted present Burgermeister Hentrich, found burial report, Medical and Death certificate of Pfc Joseph F. Reis, buried in town cemetery Feb. 7, 1945. (All statements and documents attached to from # 10). In the same cemetery are buried the remains of five Air Corps men, (3) in one section 2 others in the foreigners plot, next to the grave of Pfc Reese. British disinterment team had been in this cemetery April 23, 1947, and had taken the remains of four (4) as that of being British. The crosses with dates of burial, had been removed from the graves, and were stored in the chapel cellar. All information from the crosses has been recorded, but, it is not positively certain, which cross, was from what grave. Inscription on crosses reads the same as the one's the British took. "Unbekannter Engl. Soldat" the only difference known is the date of burial. Cross of Joseph Reis reads as follows. "Josef Reif, Amerikaner, 20 J. gef. 272-45. Two others in the graves next to Reese read, #3-6-44, 17-6-44". The other three (3) are buried in civilian plot 50 meters away (sketch inclosed) "29-4-44, 1-5-44, 4-3-44. Burial of all was conducted by the officials of the Werder Flugplatz, none of whom are at present available. Guenther Kanish, was one of the grave diggers could give no other helpful information. Erwin Kaiservalte, present caretaker of cemetery, had no knowledge of these burials. Bodies brought in one at a time during different periods of time, always wet and soggy.

Left for Petzow, where three bodies, supposedly American are buried in village cemetery. Contacted gardener of cemetery (new at the job), he did not bury the remains. Grave was open, British team had opened the grave and left the remains in place, after inspection of same. Contacted Burgermeister of Petzow. Statement from him established crash on March 6, 1944. Plane slid under the ice. Remained submerged for 3 weeks after which time, Flugplatz officials, raised the air-craft from the plane, and buried in Petzow, cemetery. Garner Suckow, claims two parachutes were seen, rumors are that one of the parachutists was wounded. With statements of Suckow, narrative of Mattar of Petzow, and burial records and statements of the Officials from Werder, I would conclude that the three members buried at Petzow, and five in Werder are all and same crew, listed as PDD on MACR Form # D-100, 2 member of the same crew listed as RMC, completes the 10 original members of this crew. Disinterment of these eight (8) should confirm my statement. Having a German Green Burial Card, for one Sgt. # 1396082, Moson a search of the cemetery was undertaken. No other graves that could have been those of American or English were found, in Werder or Petzow. Returned to Werder for documents.

Mr. and Mrs. Ed Halton Sr.
Whitley City, Kentucky

Dear Mr. and Mrs. Halton:

This refers to our previous correspondence regarding personal effects of your son, Staff Sergeant Ed Halton Jr.

The Army Effects Bureau has just received funds in the amount of \$122.04, which is the only property belonging to him received here to date. I am inclosing a check for this amount.

The transmittal of funds by this Bureau does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of the Soldier's legal residence.

It is probable that additional effects of your son will reach this Bureau at a later date. As it is my intention to forward any such property to you immediately upon arrival here, I ask that you please notify us in the event there is any change in your address within the next few months.

I wish to express my sympathy in the loss of your son.

Sincerely yours,

F. A. ECKHARDT

IN REPLY REFER TO:

Mrs. Grace Helton
Wichita City, Kansas

Dear Mrs. Helton:

This will acknowledge your recent letter inquiring about the personal effects of your son, Staff Sergeant E. Helton.

As yet the Army Effects Bureau has not received any property belonging to him. However, all War Department agencies are under instruction to forward the personal effects of military personnel to this Bureau for disposition, and it is reasonable to assume that Sergeant Helton's property ultimately will be received here.

The personal property of military personnel reported missing in action is held overseas for a certain period of time so that it will be available for the owner should he return to claim it. Since Sergeant Helton was previously reported missing in action and because of existing transportation difficulties, the delay in this case is not unusual.

I wish to assure you that you will be notified promptly upon receipt of any of Sergeant Helton's belongings; and in the event of undue delay, this Bureau will institute tracer.

Yours very truly,

A. L. SMITH
Administrative Assistant
