Dear Mrs. Manning:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

Dear Mrs. Manning:

We have received the "Request for Disposition of Remains Form" in regard to the final interment of the remains of your husband, the late Staff Sergeant Andrew A. Manning.

With regret, I must inform you that at present there is no provision whereby the Department of the Army may furnish photographs of individual graves located overseas.

I am gratified to inform you that the United States Military Cemetery Neuville-en-Condroz, Belgium located nine miles southwest of Liege, Belgium has been designated as a permanent American Military Cemetery, dedicated in grateful remembrance of the Dead of World War II.

I am sure you will understand that it may be necessary to move the remains of your husband during the beautification and consolidation of the cemetery.

We are, therefore, inclosing another "Request for Disposition of Remains" form for your selection of another option, if you so desire. In the event you wish the remains permanently interred in Neuville-en-Condroz, please inform this office immediately and official action will be taken by this office.

May I assure you of our desire to assist you by every means in our disposal.

Sincerely yours,

Dear Mrs. Manning:

We have received the "Request for Disposition of Remains Form" in regard to the final interment of the remains of your husband, the late Staff Sergeant Andrew F. Manning.

With regret, I must inform you that at present there is no provision whereby the Department of the Army may furnish photographs of individual graves located overseas.

I am gratified to inform you that the United States Military Cemetery Neuville-en-Condroz, Belgium located nine miles southwest of Liege, Belgium has been designated as a permanent American Military Cemetery, dedicated in grateful remembrance of the Dead of World War II.

I am sure you will understand that it may be necessary to move the remains of your husband during the beautification and consolidation of the cemetery.

We are, therefore, inclosing another "Request for Disposition of Remains" form for your election of another option, if you so desire. In the event you wish the remains permanently interred in Neuville-en-Condroz, please inform this office immediately and official action will be taken by this office.

May I assure you of our desire to assist you by every means at our disposal.

Sincerely yours,

If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Dear Mrs. Manning:

I am writing to you in reference to your husband who gave his life in the service of his Country during the European conflict.

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the Army Air Forces recently completed the translation of several volumes of captured German records.

In regard to Staff Sergeant Andrew F. Manning, these records indicate that he was killed 22 February 1944, when the B-17 (Flying Fortress) in which he was serving crashed at Hiddensee (54° 30' N, 13° 5' E), Prussia. Of the ten crewmembers, there were three unknown recovered from the crash, one of whom was assumed to be your husband. These records further state that he was interred in the Community Cemetery of Hiddensee, 25 February 1944, at 5:30 p.m., in a single grave.

The Quartermaster General in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the legal next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. If the report of your husband's burial has not been confirmed and you have not been notified by the Quartermaster General, that official will furnish you definite information immediately upon receipt of the official report of interment from the Commanding General of the Theater concerned.

May the knowledge of your husband's valuable contribution to our cause sustain you in your bereavement.

Very sincerely,
