IN REPLY REFER TO 327398

Mr. Solomon J. Sherman
Box #47
Duke Center, Pennsylvania

Dear Mr. Sherman:

The Army Effects Bureau recently received for disposal a group of funds which had been recovered by the American Graves Registration Service in its disinterment operations under the current Repatriation Program for deceased military personnel.

These funds, consisting of United States or foreign currencies, were carried by the soldier at the time of casualty and in many instances were recovered in a mutilated or unsightly condition.

Consolidation at the overseas headquarters was then made of all such currencies and it was then returned to the country of origin for exchange to dollar credits to enable issuance of a check replacing the mutilated currency.

Such was the case with some funds received for your son, the late Sergeant John J. Sherman.

I know that you want to receive these funds as soon as possible, but due to the time elapsed since the occurrence of the casualty, it is believed that some explanation should be offered as to the source of these funds and the delay in their transmittal.

It would be appreciated if you would confirm the accuracy of your address in order that the check may be delivered properly. A notation placed at the bottom of this letter will be sufficient and may be returned in the inclosed addressed envelope requiring no postage.

Upon receipt of your reply, a Bureau check for the funds recovered from the above source will then be sent you promptly.

Sincerely yours,

Stanley Jablocki

Dear Mr. Sherman:

Thank you for your confirmation of address in connection with the disposal of funds received for your son, Sergeant John J. Sherman, which were recovered by an Overseas Graves Registration officer.

I am inclosing a Bureau check in the amount of \$28.03 representing the funds received for your son from this source and converted to dollar credits due to the damaged condition in which they were found when recovered.

The transmittal of funds by this Bureau does not, of itself, vest title in the recipient. Such property is forwarded for distribution in accordance with the laws of the state of decedent's legal residence.

I am glad to have been of service to you in this matter, and wish to express my sincere regret of the circumstances prompting this correspondence.

Sincerely yours,

In writing to you in reference to your son who gave his life
in the service of his country during the European conflict,

In an effort to furnish the next of kin with all available in-
formation concerning casualties among our personnel, the Army Air Forces
recently completed the translation of several volumes of captured
German records.

In regard to Sergeant John F. Sherman, these records indicate
that he was killed on 30 November 1941, when his B-17 (Flying Fortress)
bomber received a direct hit from enemy anti-aircraft fire and exploded
in mid-air near Hildesheim, Germany. This village is situated about
west of Hildesheim, Germany. These records further state that your son
was interred in the cemetery of Hildesheim. The date of burial was
not reported.

The Quartermaster General in his capacity as Chief, American
Graves Registration Service, is charged with the responsibility of
notifying the next of kin concerning grave locations of members
of the military forces who are killed or die within the continental
limits of the United States. If the report of your son's death has
not been confirmed and you have not been notified by the Quartermaster
General, that official will furnish you definite information as soon
after receipt of the official report of information from the Com-
manding General of the Theater concerned.

By the knowledge of your son's valuable contribution to the
cause sustain you in your bereavement.

Very sincerely,
