Mr. William D. Fahlbusch
Canterbury Gardens
Unit #11, Apt. #59A
North Arlington, New Jersey

Dear Mr. Fahlbusch:

Reference is made to the interment of your son, the late First Lieutenant Joseph F. Fahlbusch, and his comrades, which was made in Graves 197-A, 197-B, and 197-C, Section 82, Jefferson Barracks National Cemetery, St. Louis, Missouri. It is regretted that because of the fact it was impossible to identify individually the remains of your son, you were deprived of the comfort and consolation which you might have been afforded by interring his remains at home.

It is felt that you might like to have the inclosed photograph of the stone which has been placed at the grave.

You are assured that the grave will always be cared for in a manner fully commensurate with the sacrifice your son has made for his country. Any desired information concerning the grave or the cemetery will be furnished upon request.

Sincerely yours,

Dear Mr. Fahlbusch:

The Department of the Army desires that you be given the most recent information concerning your son, the late First Lieutenant Joseph F. Fahlbusch, ASN O 752 560.

The American Graves Registration Service in their search for deceased American personnel recovered certain remains from the area in which your son and others of his comrades met their death. As identifications could not be established at the time of the recovery, Unknown designations were assigned pending further investigation, and temporary interments were made in a United States Military Cemetery overseas.

The investigation is now complete, and it has been determined that, although the circumstances rendered individual identifications impossible, sufficient evidence was obtained to warrant a group identification of these remains. The remains are now casketed, and being held overseas, pending return to the United States for interment in Jefferson Barracks National Cemetery, located at Saint Louis 23, Missouri.

This plan for the burial in one of our country's shrines of all the known groups of men for whom individual identity cannot be established, is based upon the provisions of Public Law 383, 79th Congress, as amended by Section 3, Public Law 368, 80th Congress. Final interment in a National Cemetery in the United States where perpetual care will be given the graves, is fitting and proper. This particular National Cemetery was selected in order that no undue burden of travel might be placed on any one family wishing to attend the services.

You and the next of kin of the other men will be informed of the date and time of final interment sufficiently in advance to permit you and any interested persons to attend the ceremonies. In order that you may receive information concerning these final rites, it is essential, in case you change your address, that you promptly inform the Commanding General, New York Port of Embarkation, Attention AGRD, First Avenue and 58th Street, Brooklyn 20, New York.

Sincerely yours,

E. V. FREEMAN
