Mr. Roy Martin

Lower Salem, Ohio

Dear Mr. Martin:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Dear Mrs. Martin:

Your letter to The Adjutant General's Office requesting information concerning your son, the late Staff Sergeant Wayne L. Martin, has been referred to us for reply.

The official Report of Burial discloses that the remains of your son were interred in Plot H, Row 2, Grave 45 in the United States Military Cemetery, Neuville-en-Condroz, located nine miles southwest of Liege, Belgium.

We appreciate your desire to determine the final resting place of your son. However, inasmuch as the records of this office indicate that the legal next of kin of the late Staff Sergeant Wayne L. Martin is his widow, we must recognize her right to determine the final resting place of his remains.

I regret to advise you that the Report of Burial fails to indicate the condition of your son's body at the time his remains were recovered.

You need have no anxiety that the remains of your son were not properly identified before interment, as every precaution is taken to preserve the identity of World War II Dead. Our records show that his remains were identified by his identification tag, and at the time of interment this tag was buried with his body for future identification.

I wish to express my sincere sympathy in the loss of your son.

Dear Mrs. Martin:

I am referring to my letter of 26 June 1946 which confirmed the death of your husband, Staff Sergeant Wayne L. Martin, 36,566,120, Air Corps.

Dear Mrs. Martin:

The Army Effects Bureau is forwarding to you the following personal property, recently received here, belonging to your husband, Staff Sergeant Wayne L. Martin.

2 Cartons with contents

In addition, a medal which was awarded him is being sent, under separate cover, by registered mail.

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.
