Mr. Hiram H. Van Wile

Long Beach, California

Dear Mr. Van Wile:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Q Sincerely yours,

H. FELDMAN

Mr. Hiram H. Van Wie

Dear Mr. Van Wie:

143 The War Department is most desirous that you be furnished the latest information regarding the burial location of your son, the late First Lieutenant John A. Van Wie, A.S.N. O-727-286.

The records of this office disclose that his remains were originally interred in a temporary cemetery established near the place where he met his death, but were later moved to a more suitable site where constant care of the grave can be assured by our Forces in the field.

The records further disclose that his remains are now interred in the U. S. Military Cemetery Neuville-en-Condroz, plot N, row 4, grave 90, located nine miles southwest of Liege, Belgium.

The War Department has now been authorized to comply, at Government expense, with the feasible wishes of the next of kin regarding final interment, here or abroad, of the remains of your loved one. At a later date, this office will, without any action on your part, provide the next of kin with full information and solicit his detailed desires.

Please accept my sincere sympathy in your great loss.

Dear Mrs. Van Wie:

The inclosed Original (white copy) and Property Received (yellow copy) of Government bill of lading No. WT-8715252 cover shipment of the personal effects of Lt. John A. Van Wie being forwarded to you at the above address from the Army Effects Bureau.

This property is being shipped to you at Government expense. Upon arrival of the shipment at destination, representative of the delivering carrier will either contact you or make delivery to you at your address. The delivering carrier will make free delivery to your address if freight tariffs for your locality provide such service. The Original (white copy) of this bill of lading should be turned over to carrier making delivery to you.

When the shipment is delivered, Consignee's Certificate of Delivery, at the bottom of the Original (white copy) of the bill of lading is to be filled in and signed by you, and that copy surrendered to the agent of the delivering carrier. The bill of lading covers all charges incident to forwarding the property from this Bureau to you at your address, if you live within corporate limits of billed destination and free delivery is provided by the carrier.

If any damage to the shipment is noticed upon delivery, please make notation of such damage on the reverse of the Original bill of lading, under the caption, "Report of Loss, Damage or Shrinkage", and place your signature after the notation. The agent of the delivering carrier should be requested to make appropriate notation on the freight bill of such damage. Any adjustment or claim you may desire to present because of damage must be handled between you and the agent of the delivering carrier.

The Property Received copy of the bill of lading may be retained or discarded by you.

At the present time, a great amount of freight is being handled by common carriers and delivery of this shipment may be delayed. However, if the shipment is not received within a reasonable length of time, you may notify this Bureau, so that tracer action can be instituted here.

Yours very truly,

M. F. CISTON

Dear Mrs. Van Wie:

I have your letter of March 22, making further inquiry regarding the personal property of your husband, First Lieutenant John A. Van Wie.

As yet this Bureau has not received any property belonging to Lieutenant Wie. I am sure you realize the difficulties encountered in transportation during war times, and the many unexplainable causes that delay shipment from theaters of operation.

It is reasonable to assume that your husband's property ultimately will be received at this Bureau, and you may rest assured that you will be notified promptly.

I regret I can give you no further information regarding Lieutenant Van Wie's belongings at this time.
