EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.
2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.
3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.
4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2. below.
2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.
3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.
4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Attention: Memorial Division

Mr. Robert R. Butler, Sr.
Bloomsbury Star Route
Winchester, Virginia

Dear Mr. Butler:

Your letter concerning your son, the late Staff Sergeant Robert R. Butler, Jr., has been received in this office.

It is with deep regret that you are advised that, up to the present time, definite information pertaining to the burial of the remains of your son has not been received in this office. An investigation is still being conducted to establish the identity of his remains. It is the policy of this office that, unless remains which have been recovered are identified to the extent that we can state irrevocably that those particular remains are those of a specific person, the next of kin is not informed that the remains of the deceased have been recovered. I trust that you will not find it difficult to understand the reason for this policy. You may rest assured that we will do everything within our power to completely identify the remains of your late son at the earliest possible date and when this is accomplished, you will be informed with a minimum of delay. A notation to this effect has been made upon the records of this office.

Please accept my most sincere sympathy in the loss of your son.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

JAMES L. PRENN

SUBJECT: Burial Information

TO: The Adjutant General
Washington 25, D. C.

1. Reference is made to a letter from Mr. Robert R. Butler, Sr., copy of which is attached.

2. It is noted that the first paragraph of his letter quotes your office as having volunteered reburial information.

3. It is requested that this procedure not be followed in the future. It has proven to have been most unfortunate in this particular case since the identity of the remains recovered is still in doubt. It is sincerely hoped that your office can assist this office in avoiding such unpleasant occurrences in the future by refusing to give out any information to the next of kin which could be classed as burial information.

Dear Mr. Butler:

The Army Effects Bureau is forwarding to you the following personal property, recently received here, belonging to your son, Staff Sergeant Robert R. Butler, Jr.:

1 carton and contents
1 Bureau check for \$90.65 - inclosed
1 medal (by registered mail)

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your son.

Yours very truly,

C. B. QUINN

EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.
2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.
3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.
4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2. below.
2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.
3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.
4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mr. Butler:

29 3
The War Department is most desirous that you be furnished the latest information regarding the burial location of your son, the late Staff Sergeant Robert R. Butler, Jr., A.S.N. 33 638 093.

The records of this office disclose that his remains were originally interred in a temporary cemetery established near the place where he met his death, but were later moved to a more suitable site where constant care of the grave can be assured by our Forces in the field.

The records further disclose that his remains are now interred in the U. S. Military Cemetery St. Avoird, plot O, row 10, grave 2133, located twenty-three miles east of Metz, France. You may be assured that the identification and interment have been accomplished with fitting dignity and solemnity.

The War Department has now been authorized to comply, at Government expense, with the feasible wishes of the next of kin regarding final interment, here or abroad, of the remains of your loved one. At a later date, this office will, without any action on your part, provide the next of kin with full information and solicit his detailed desires.

Please accept my sincere sympathy in your great loss.

Winchester, Virginia

Dear Mr. Butler:

Your letter concerning your son, the late Staff Sergeant Robert R. Butler, Jr., has been received in this office.

It is with deep regret that you are advised that, up to the present time, definite information pertaining to the burial of the remains of your son has not been received in this office. An investigation is still being conducted to establish the identity of his remains. It is the policy of this office that, unless remains which have been recovered are identified to the extent that we can state irrevocably that those particular remains are those of a specific person, the next of kin is not informed that the remains of the deceased have been recovered. I trust that you will not find it difficult to understand the reason for this policy. You may rest assured that we will do everything within our power to completely identify the remains of your late son at the earliest possible date and when this is accomplished, you will be informed with a minimum of delay. A notation to this effect has been made upon the records of this office.

Please accept my most sincere sympathy in the loss of your son.

SUBJECT: Burial Information

TO: The Adjutant General

1. Reference is made to a letter from Mr. Robert R. Butler, Sr., copy of which is attached.

2. It is noted that the first paragraph of his letter quotes your office as having volunteered reburial information.

3. It is requested that this procedure not be followed in the future. It has proven to have been most unfortunate in this particular case since the identity of the remains recovered is still in doubt. It is sincerely hoped that your office can assist this office in avoiding such unpleasant occurrences in the future by refusing to give out any information to the next of kin which could be classed as burial information.

Dear Mr. Butler:

The Army Effects Bureau is forwarding to you the following personal property, recently received here, belonging to your son, Staff Sergeant Robert R. Butler, Jr.:

1 carton and contents
1 Bureau check for \$90.65 - inclosed
1 medal (by registered mail)

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your son.

Yours very truly,

C. B. QUINN
