Mr. Walter L. Hoffman

Deerfield, Illinois

Dear Mr. Hoffman:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

Dear Mr. Hoffman:

Your letter pertaining to the remains of your son, the late First Lieutenant Glenn W. Hoffman, has come to my attention.

I am gratified to inform you that the United States Military Cemetery Margraten, Holland, has been designated as a permanent American Military Cemetery, dedicated in grateful remembrance of the Dead of World War II.

Dear Sir:

In reply to your letter of January 26, before making a decision on this we would appreciate your sending us additional information.

Our son requested that we leave him where he fell; his grave is being cared for by a Dutch family who keep in constant touch with us, naturally they have our deepest gratitude.

We would like to know if Margraten will be a National Military Cemetery for World War 11, or if all the boys are to be moved. If you have a list of the locations of World War 11 Cemeteries overseas please send us one.

On receipt of this information we will send the necessary forms to you immediately. Hoping you will understand our feelings in this matter, I remain

Dear Sir:

In reply to your letter in regard to the whereabouts of Mrs. Louise K. Hoffman, we are sorry but we do not have this information either. The last we heard of her was in 1946 through freinds telling us that she had remarried.

Due to the unusual cirmumstances that exsisted before our son was killed in action, we would appreciate your sending any papers that may have to be filed directly to us. My wife and I feel that he would have preferred to stay there, a Dutch family is taking care of his grave. They write to us on an average of three or four times a month and have sent numerous pictures.

We will appreciate hearing from you as soon as possible in regard to this matter.

REMARKS:

14. (cont'd) Summary of circumstances surrounding missing aircraft and crew.

At the point indicated on the attached map this aircraft was hit by flak. One engine caught fire immediately and another stopped. Either seven or eight men whose parachutes were seen to open jumped from the plane.

Soon after these men jumped, and after aircraft had descended out of control to a point a few thousand feet below the accompanying formation it blew up in mid-air.

The parachute on the last man to jump from the ship was afire and one man was seen to peel out of his chute after same opened.

Dear Mrs. Hoffman:

I am writing to you in reference to your son who gave his life in the service of his Country during the European conflict.

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the Army Air Forces recently completed the translation of several volumes of captured German records.

In regard to First Lieutenant Glenn W. Hoffman, these records indicate that he was killed 21 July 1944, when the B-24 (Liberator) he was aboard sustained damage from enemy antiaircraft fire and crashed at Tholen, Holland, located approximately twenty-four miles north of Antwerp, Belgium. These records also state that his body was interred in the cemetery of Vlissingen, Holland, in grave number 93.

The Quartermaster General in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the legal next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. If the report of your son's burial has not been confirmed and you have not been notified by the Quartermaster General, that official will furnish you definite information immediately upon receipt of the official report of interment from the Commanding General of the Theater concerned.

May the knowledge of your son's valuable contribution to our cause sustain you in your bereavement.

Very sincerely,

Dear Mrs. Hoffman:

The War Department is most desirous that you be furnished the burial location of your husband, the late First Lieutenant Glenn W. Hoffman, A.S.N. O- 741 175.

The records of this office disclose that his remains are interred in the U. S. Military Cemetery, Margraten, Holland, plot LL, row 11, grave 238.

This cemetery is located approximately twelve miles northwest of Aachen, Germany and eight miles southeast of Maastricht, Holland, and is under the constant care and supervision of United States military personnel.

It is anticipated that, in the near future, the War Department will receive authority to return the remains of your husband, at Government expense, to the final resting place which you select. When the necessary arrangements have been completed, this office will, without any action on your part, give full information and solicit your detailed desires.

Please accept my sincere sympathy in the loss of your husband.

Mrs. Louise K. Hoffman
Post Office Box 556
Austin, Texas

Dear Mrs. Hoffman:

The Army Effects Bureau has received from overseas some personal effects of your husband, First Lieutenant Glenn W. Hoffman.

I am inclosing \$.43 in coins, representing funds which belonged to him. Also, I am inclosing an identification card which was included with your husband's effects. The remainder of the property is being forwarded to you in two cartons. In addition, two medals which were awarded him are being sent under separate cover, by registered mail.

If, by any chance, the property has not reached you at the expiration of thirty days from this date, please notify me and tracer will be instituted.

The action of this Bureau in transmitting personal effects does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of the officer's legal residence.

I regret the circumstances prompting this letter, and wish to express my sympathy in the loss of your husband.

Yours very truly,

A. G. SCHUMACHER
