Dear Sir;

Reference to your letter of December 3.

I am grateful to have finally received word that my son is buried and that his remains are interred in the U.S. Military Cemetery.

I wonder if it could be arranged for some one near there, to take a picture of my son's grave and forward it on to me. Please be advised that I will be only too happy to pay the expense of developing, mailing, etc., in advance by check.

Please inform me if this could be arranged. I will, therefore, mail check upon receipt of your letter in the amount that you state.

Yours truly,

Dear Sir

I wrote a letter in February 1946 asking for information concerning the finding and burial of my son who has been killed in action, and to date I have received no answer. One of my son's crew member has been found and is now buried in France.

It seems strange that I have received no word concerning my son when both boys were in the same plane and collision.

Please look into this and inform me as soon as possible.

I do not feel as my letters should be ignored considering my boy died for our country.

Dear Mrs. Eaker:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstones. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Dear Mrs. Kader:

Reference is made to your letter in which you requested information concerning your son, Staff Sergeant Eugene I. Kader.

The distress you have suffered since your son's death is most understandable and I realize your desire to know the attending circumstances. I wish to advise you that the report which discloses that Sergeant Kader was killed in action on 19 October 1944, in Germany, was based upon information received from the Graves Registration Service Command, regarding the interment of his remains. Information received discloses that his death occurred in Edenkoben, Germany. No further reports have been received regarding the surrounding circumstances.

The Quartermaster General, Washington 25, D. C., has jurisdiction over all matters pertaining to the burial of our military personnel who die overseas and I am, therefore, forwarding a copy of your letter to that official for direct reply to your inquiry regarding this matter.

I realize how futile any words of mine may be to assuage your grief but I trust that the knowledge of your son's heroic sacrifice in action may be a source of sustaining comfort.

You have my heartfelt sympathy in your bereavement.

Mrs. Edna Kader

Detroit 2, Michigan

Dear Mrs. Kader:

Your letter concerning your son, the late Staff Sergeant Eugene I. Kader, has been received in this office.

I regret that I must inform you that information concerning the burial of the remains of your son has not yet been received in this office. However, our Graves Registration Forces in the field are making a complete and thorough search of all areas over which our men fought. All available information such as enemy reports of death and burial, either captured or transmitted through the International Red Cross, results of interrogation of returned Prisoners of War, statements made by natives of the localities being searched, and reports submitted by Commanding Officers and fellow soldiers who were in the vicinity at the time of the fatality, are being used to implement their efforts.

It is contemplated that all remains so recovered will be interred in established American Military Cemeteries pending the initiation of the Program of Repatriation. I sincerely hope that this intensive search will result in the discovery and the identification of your son's remains. Please be assured that when information is received that this is accomplished and his remains have been properly interred, you will be informed without delay.

This office regrets the delay in answering your letter and wishes to extend its sincere sympathy in the loss of your son.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

Dear Sir;

My son ²⁹³ S/Sgt. Eugene I. Kader, 36 559 970
has been declared killed in action after being
missing one year, on October 1945 by the War
Department.

I am inquiring about my son, if his body
has been found and where is he now buried.

One of his crew members who also has been
killed in the same plane collision, is now buried
in France by the information that I have received
from his mother.

It puzzles me that I have not heard a thing
concerning my sons' burial or any other information,
yet this other woman has, the mother of S/Sgt. Robert
R. Butler, Jr. of Winchester, Virginia.

I have been waiting patiently for news as to
where my son is now buried and any other news that
might relieve me of anxiety.

Please inform me at once.

Yours truly,

Mrs. Edna Kader

Dear Mrs. Kader:

Your letter concerning your son, the late Staff Sergeant Eugene I. Kader, has been received in this office.

Units of the American Graves Registration Service are now engaged in searching operations in an endeavor to locate the remains of deceased Americans. As yet, no report has been received that your son's remains have been discovered.

Information being utilized by these searching units includes data gathered from captured enemy records, from reports submitted by various commanders as well as fellow soldiers, and from reports rendered after the interrogation of returned prisoners of war.

I sincerely hope that this intensive search will result in the discovery and identification of your son's remains. Please be assured that when further information is received, you will be informed with a minimum of delay.

Please accept my sincere sympathy in the loss of your son.

Dear Mrs. Kader:

I have your letter of 16 October 1945, concerning your husband, Staff Sergeant Eugene I. Kader, who was presumed dead as of 20 October 1945, following a thorough review of his case under the provisions of Public Law 490, 77th Congress, as amended.

I am indeed sorry that so much grief has come to you; however, I am unable to encourage the hope you may entertain for your husband's survival. You may be assured that the War Department does not deem it sound policy to make a declaration of death while any reasonable ground remains for presuming that the individual may still be alive. Careful consideration was given to all the circumstances surrounding Sergeant Kader's disappearance before a finding of death was made.

The Quartermaster General, Washington 25, D. C., is charged with the care and disposition of the personal effects of our military personnel who die while serving overseas, therefore, a copy of your letter is being referred to that official for reply to your inquiry concerning the effects of your husband.

A copy of your letter is also being transmitted to the Director, Office of Special Settlement Accounts, 27 Pine Street, New York 5, New York, for reply to your questions concerning the back pay of Sergeant Kader.

I wish to advise you that the overseas authorities are constantly doing their utmost to secure information regarding our missing personnel, including those in whose cases presumptive findings of death were made. Captured enemy reports are being carefully examined and verified and details are obtained from men who were reported missing but have returned to military control, including liberated prisoners of war. If any additional message pertaining to Sergeant Kader is received, you will be immediately notified.

My deepest sympathy is with you in your great loss.

Sincerely yours,

Reference is made to your inquiry regarding the personal effects of **Staff Sergeant Eugene I. Kader.**

A copy of your letter has been forwarded to the Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City 1, Missouri, for reply to you. That office has jurisdiction over the disposal of the personal effects of our military personnel outside the United States. Please accept my sincere sympathy in this period of anxiety.

Dear Mrs. Kader:

Your inquiry to The Quartermaster General, Washington 25, D. C., has been referred to the Army Effects Bureau for reply in connection with the personal effects of your husband, Staff Sergeant Eugene I. Kader.

Records at this Bureau indicate that the only property received at the Army Effects Bureau, to date, was funds in the amount of \$5.06. Inasmuch as your name and address were not on file here, a check for like amount was sent to Mrs. Edna Kader, 695 Hazelwood Street, Detroit 2, Michigan, on October 12, 1945, for safe-keeping on behalf of the owner, pending his return.

You may be assured that upon receipt of any additional property, it will be promptly forwarded to you.

Dear Sir:

I wrote a letter to you last week, and forgot to ask you a few questions which has come up between my husbands people and myself. My husband is S/Sgt Eugene Kader. He has been missing since Oct. 19, 1944.

We would like to know what happened to his personal belongings and his clothing.

I would also like to know if I receive his back pay and flying pay. And if so how will this be arranged.

I would be very grateful if you could find the time to answer all my questions.

Thanking you very much for your kindness in the past I remains,

Dear Sir;

I am again inquiring of my son, S/Sgt. Eugene I. Kaders' personal property in reference to number 288,885.

I have received a letter from his mother, Mrs. Robert R. Butler Sr., of the same address, stating she has already received her sons' personal property.

It puzzles me that I have not yet received my sons' personal property and Mrs. Robert R. Butler has seeing as both boys were in the same crew and have been listed as missing of the same date.

Will you please enlighten me in this matter at the new address above?

Dear Mrs. Kader:

This will acknowledge receipt of your letter of June 18, in which you made further inquiry regarding the personal property of your son, Staff Sergeant Eugene I. Kader.

We have not received any information concerning your son's property since writing you on April 10. The Army Effects Bureau has no jurisdiction over the actual movement of personal effects. Personal effects are transmitted by the first available means of transportation; therefore, due to the difficulties attendant shipping from overseas, the delay in this case is not unusual.

You are assured that you will be notified immediately upon receipt of any possessions of your son.

Dear Mrs. Kader:

I am inclosing a check for \$5.06 representing funds of your son, Staff Sergeant Eugene I. Kader.

No other property belonging to him has been received at the Army Effects Bureau to date.

My action in forwarding these funds does not, of itself, vest title in you. The money is transmitted in order that you may safely keep it on behalf of the owner, pending his return. In the event he later is reported as a casualty, the funds should be distributed according to the laws of the state of his legal residence. I sincerely hope that such distribution will not be necessary.

Please acknowledge receipt of the check by signing one copy of this letter in the space provided below and returning that copy to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

All War Department agencies have instructions to forward the personal effects of military personnel to this Bureau for disposition. Money, as a rule, is converted to a check and sent, by mail, in advance of other property. Any of his property received here will be forwarded promptly. Therefore, I ask that you please notify this Bureau in the event of a change in your address.

Dear Mrs. Kader:

The Quartermaster General, Washington, D. C., has forwarded to the Army Effects Bureau, a copy of your letter dated February 19, for reply to that portion pertaining to the personal effects of your son, Staff Sergeant Eugene I. Kader.

I am sorry to report that this Bureau has not yet received any of his property. Because of transportation difficulties, overseas "holding" periods and other delays encountered in the return of personal effects to the U.S.A., the time of arrival at this Bureau is quite uncertain.

I am inclosing a circular, however, in order that you may have all information available as to when your son's effects may be expected to arrive here. Upon receipt of any property belonging to him, you will be notified.

A copy of your letter has been forwarded to the Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City 1, Missouri, for reply to you. That office has jurisdiction over the disposal of the personal effects of our military personnel outside the United States.
