Dear Folks, A few lines to let  
you know I received your letters  
and am happy to read you are all  
fine. As for me I'm fine and  
getting along swell. Very little  
to write, but it is very interesting.  
A good friend of mine, Louis &  
Bertha joined up with us  
the other day. It was sure  
a surprise, welcome one. We were  
both glad to see each other after  
such a long time. He is in good  
health and looking fine so there's  
no need to worry. Paula Truly  
is likewise. That's about all  
for now. Also received a letter  
from Samella. Love Rich. Just  
a few lines to say hello and  
let you know I will take care  
of Rich and bring him home  
safe. Long I haven't written  
sooner but you can see how  
things are. Bye now Louis.
