DATE

Dearest Sir
you cant imagine how glad I was to
get your letter after so long. In fact I
was beginning to think you had forgotten all
about your brother, Doug.
you asked me a lot of questions in your
letter. Well my sweet, since that got hard
on awful lot of water has passed under the
bridge. I made some pretty good contacts
but have not stumbled into marrying
any one as yet. I've been in England 2
months almost and have ~~been~~
~~happy~~. I finally got Milton out & his home
and believe me that's a load off my mind.
Guess you wonder why I'm still Sgt. Well
I was busted twice more but I get my stuff
rating 1st of June. Honey you said you
had some new pictures. Please send me
a nice one or I want to show my crew
what a real pin-up gal is. Be sweet
and write often -
Lots of Love and
hugs from Doug
