Dearest Mom

I got a letter from you today and sure was glad to hear every thing was O.K. at home. I am beginning to wonder what was happening to my mail.

I was in London on pass for 2 days and sure had a good time. We've been having some pretty rough missions over here and it seems that Germany will fall before long. But you just can't tell how long it will take.

I was glad to hear about Milton and him working. If I were dad I would not sell my place tho. He worked too hard for that. You asked me if I had married Lettie, well the answer is no. Thanks for the addresses and I want you to write more often.

Along Love Day
